**GRACE, GRACE, GOD'S
GRACE**

**Grace, grace, God's grace,
Grace that will pardon and cleanse within;
Grace, grace, God's grace,
Grace that is greater than all our sin!**

**Marvelous grace of our loving Lord,
Grace that exceeds our sin and our guilt!
Yonder on Calvary's mount out-poured-
There where the blood of the Lamb was spilt.**

**Grace, grace, God's grace,
Grace that will pardon and cleanse within;
Grace, grace, God's grace,
Grace that is greater than all our sin!**

**Sin and despair, like the sea-waves cold,
Threaten the soul with infinite loss;
Grace that is greater– yes, grace untold–
Points to the Refuge, the mighty Cross**

**Grace, grace, God's grace,
Grace that will pardon and cleanse within;
Grace, grace, God's grace,
Grace that is greater than all our sin!**

**Dark is the stain that we cannot hide;
What can we do to wash it away?
Look! There is flowing a crimson tide,
Brighter than snow you may be today.**

**Grace, grace, God's grace,
Grace that will pardon and cleanse within;
Grace, grace, God's grace,
Grace that is greater than all our sin!**

**Marvelous, infinite, matchless grace,
Freely bestowed on all who believe!
All who are longing to see His face,
Will you this moment His grace receive?**

**Grace, grace, God's grace,
Grace that will pardon and cleanse within;
Grace, grace, God's grace,
Grace that is greater than all our sin!**

ROLLED AWAY/DHANYAWAAD

**Rolled away, rolled away, rolled away
Every burden of my heart rolled away
Rolled away, rolled away, rolled away
Every burden of my heart rolled away
All my sin had to go, 'Neath the crimson flow..
Hallelujah
Rolled away, rolled away, rolled away
Every burden on my heart rolled away**

**HE'S STILL
WORKING ON ME**

He's still working on me

To make me what I ought to be

It took Him just a week to make the moon and stars

The sun and the earth and Jupiter and Mars

How loving and patient He must be

He's still working on me

**There really ought to be a sign upon my heart
Don't judge Him yet, there's an unfinished part
But I'll be perfect just according to His plan
Fashioned by the Master's loving hands**

He's still working on me

To make me what I ought to be

It took Him just a week to make the moon and stars

The sun and the earth and Jupiter and Mars

How loving and patient He must be

He's still working on me

**In the mirror of His word
Reflections that I see
Makes me wonder-why He never gave up on me
He loves me as I am and helps me when I pray
Remember He's the potter, I'm the clay**

He's still working on me

To make me what I ought to be

It took Him just a week to make the moon and stars

The sun and the earth and Jupiter and Mars

How loving and patient He must be

He's still working on me
